

## Beeline Credit

- Activation \*141#
- Credit debt check \*147#
- A credit service fee 0,50 € will be charged at the moment of activation. As a result, your balance will be filled with 4,50 €.
- Credit is valid for 3 days.
- Credit debt should be paid fully or gradually within 30 days from activation.
- If you have credit debt, in case of package/tariff purchase or top-up, the debt amount will be charged first. As a result, the balance will be filled with the remaining quantity.
- You can activate credit again only after paying previous credit debt.
- You can activate credit if you have been using the number for more than 1 month.
- You can activate credit if your balance is less than 20 €.
- Service is available for private customers only.
- Service can be activated via [MyBeeline App](#) as well.
