

Number Maintenance

- Activation *110*110#
- Deactivation *110*9110#
- Monthly fee 0,10 €
- Automatic prolongation is available for the service. For successful prolongation, it is necessary to have sufficient balance on the 30th day and at the exact same time of the package activation the previous month.
- In case of insufficient balance on the 30th day, the system will wait for 10 days for the balance to be topped up to reactivate the service.
- If the balance is not topped up with enough amount within 10 days, the service will be deactivated.
- Service can be activated via [MyBeeline App](#) as well.
